

Washington, D.C.— The following statement was issued by Matt Lloyd, Communications Director for U.S. Congressman Mike Pence, today regarding the Pence Amendment that would deny any and all federal funding to Planned Parenthood Federation of America and its affiliates:

"It has been erroneously reported in the media that Congressman Pence has signaled a willingness to accept a compromise on the Pence Amendment in the negotiations over a long-term Continuing Resolution. These reports are inaccurate. Congressman Pence has made no statement concerning the ongoing negotiations and remains committed to the Pence Amendment and will continue to work with colleagues to include this measure in any final legislation."
